

• • Investment Manager

BRANDON CAPITAL
PARTNERS

• *Sydney based opportunity to contribute to the NSW innovation ecosystem*

• Brandon Capital Partners is a leading Australasian venture capital firm, focused on early-stage investments in the life sciences sector, and is the manager of the Medical Research Commercialisation Fund (MRCF).

• Reporting to Brandon's Managing Directors, you will work with a premier team of talented and committed professionals, as well as interacting with leading researchers and clinicians across Australasia. You will be principally responsible for identifying the most promising investment opportunities originating from NSW MRCF member research institutes, and then working with them to make opportunities investment-ready. With the support of the Brandon Team, you will co-ordinate due diligence activities, negotiate investments, manage and direct investee companies, and play a key role in the commercialisation of IP.

• Possessing a Doctorate in life sciences or a Medical Degree (an MBA will also be valued), your expertise in technology transfer, or business development, has been gained in the global university, biotech, pharma or medtech industries.

• Please view the Position Description on www.brookerconsulting.com.au and send a brief CV (Word format, up to 5 pages) to career@brookerconsulting.com.au or ring Jeremy Wurm on 03 9602 1666, in confidence.
